## 2019 Annual Report

### Introduction

The Terrell County Appraisal District is a political subdivision of the State of Texas. The Texas Constitution, Texas Property Tax Code and the Rules of the Texas Comptroller's Property Tax Assistance Division govern the operations of the appraisal district.

### Mission

The mission of the Terrell County Appraisal District is to discover, list and appraise property as accurately, ethically and impartially as possible in order to estimate the market value of all property within the boundaries of Terrell County for ad valorem tax purposes. The district must make sure that each taxpayer is given the same consideration, information and assistance as the next. This is achieved by administering the laws of the Texas property tax system and by operating under the standards of:

- The Texas Comptroller's Property Tax Assistance Division (PTAD);
- The International Association of Assessing Officers (IAAO); and
- The Uniform Standards of Professional Appraisal Practice.

All personnel within the office are school employees. The chief appraiser may delegate authority to his employees.

Members of the Appraisal Review Board (ARB) are appointed by the board of directors and serve two year staggered terms. ARB members are limited to three consecutive two year terms. The following chart represents the total exemption amounts granted to homeowners who qualify for this exemption on homes with a maximum of 20 acres.

	<b>General Homestead</b>	<b>Over 65</b>	<b>Surviving Spouse over 55</b>	<b>Disability</b>	<b>100% Disabled Veterans</b>
Terrell County	20% (\$5,000 minimum)	\$30,000	\$30,000	None	100%

For school tax purposes, the over 65, disability, surviving spouse and 100% disabled veteran residential homestead exemptions create a tax ceiling prohibiting increased taxes on the homestead of existing improvements. The tax ceilings are adjusted if new improvements are added to the existing homestead.

Homeowners qualifying for the residential homestead exemption receive a homestead cap that limits the increase of taxable value on the homestead to ten percent per year.

## Disabled Veterans

In addition to the residential homestead exemption allowable to disabled veterans with 100% service connected disability, disabled veterans are allowed a general exemption on any property they own based upon the percentage of disability rating determined by the Department of Veteran's Affairs. Current exemptions based on these ratings are:

Percentage Disability	Exemption Amount
10-29%	\$5,000
30-49%	\$7,500
50-69%	\$10,000
